

FOR IMMEDIATE RELEASE
2021 WALDFEST

Organizers of Waldfest have made the decision to cancel the event for the summer of 2021. The 45th Waldfest would have been held on July 18th.

The Waldfest planning committee's decision is unfortunate, however the health and safety of the festival's attendees, volunteers and vendors is paramount. The ongoing challenges surrounding the COVID pandemic, large gathering restrictions and uncertainties in the coming months, are just too much to overcome.

Waldfest has been bringing the German American community together since 1976, in a celebration of German heritage and culture. As we remain vigilant and strong, we are optimistic for the future and look forward to Gemütlichkeit with our devoted festival patrons.

We thank you for your support.

The Waldfest Committee
